

Discussion Questions

Sermon title: "Conquering the Fear of the Impossible"

Speaker: Pastor Dale Hummel

Date: February 21/22, 2015

Don't feel pressured to cover every single question, especially in the "Let's Dig" section.

Let's Talk

1. As you were growing up, what were some of your favorite musical artists?

Let's Dig

1. What is one thing Pastor Dale said that you want to discuss?
2. Read Exodus 14:21-31. What is the most meaningful part of this story to you? Why?
3. What is another "deliverance miracle" by God in the Bible that is meaningful to you?
4. What helps you trust? What makes it difficult for you to trust?
5. God called the Israelites as a community to trust him and follow his direction. Have you been part of a community where you knew God was calling you, as a group, to follow his lead? What was that like? What impact did that have on you and the community?
6. "Faith without action is dead." How does your faith lead to action? Is there a way in which your faith needs to express itself more clearly through action?
7. Have you ever paused in following God's direction because you couldn't figure out all of the details or logistics as you began?
8. God works in huge and small ways. What are some ways you have seen God work recently?
9. Do your actions match what you say you believe? What will you do this week to make changes if needed?

Let's Act

1. This week, pray for what God wants to do in and through Wooddale Church and ask God what he wants you to do as a part of his community.
