## —[ LET'S START ]—

- As you look toward 2017, what is one thing that excites you? What causes you a bit of anxiety?

## —[ LET'S TALK ]—

1. Pastor Heather talks about how her Saint Bernard dog, Jingle Belle, has changed the way she thinks, sees and feels. What has caused a change in your life which made you think, see or feel differently as a result?
2. Read John 1:1-14 and share what truth about Jesus jumps out at you.
3. Share a time in your life when you experienced a "chemical reaction" of God's Spirit and His Word colliding in you, causing you to take an action step.

## —[ LET'S ACT ]—

- What is more of a challenge for you personally: Embracing the Light, Stoking the Light or Shining the Light? Why?

—[ **SERMON REVIEW** ]—

- Bible Passage: John 1:1-14
- Heather made the bold statement: “Darkness finds light offensive.” How do you see this to be true as you look around our culture?
- No matter your personality, you can shine the Light—what might that look like for you?
- Read Ephesians 5:8-14 and discuss how it relates to embracing, stoking and shining the Light.
