---

### Icebreaker

1. If you could choose to be a part of any fictional family, who would you choose and why?

### Discussion

1. Do you think it's possible to have a "perfect" family? Why or why not?
2. What do you think people mean when they say, "You have the perfect family"?
3. Why do some people feel pressure to appear perfect?
4. How does it make you feel to know there's no such thing as the "perfect" family?
5. How does focusing on what you're thankful for rather than what you're frustrated with change the way you think about your family?

### Activity

Ask each family member to write down one thing they're thankful for when it comes to their family. Use sticky notes and stick it to the floor or wall for everyone to see! Read them out loud together!
