Week 10: Antisemitism

Summary

Antisemitism is once again on the rise. We will take a look at the very real threat Jewish people face around the world and what the Church needs to know about this issue.

Teacher: Thom Berkowitz

Discussion Questions

- Thom talked about some of the experiences that he has experienced as a Jewish man living in the Twin Cities. What surprised you about Thom's experiences?
- Thom talked about two problematic theologies as it relates to the Jewish people. What were they and why are they problematic?
- Why do you suppose that the Jewish people have endured such horrible atrocities over the years?
- How can we as believers build a Gospel bridge to the Jewish people in our lives?

Resource

Thom recommends the book, *Our Hands Are Stained with Blood: The Tragic Story of the Church and the Jewish People* by Dr. Michael Brown. You can read more about this book [here](#).

Next Step

One of the best ways that we can reach Jewish people for Christ is through prayer and through listening to their story. Relational evangelism involves knowing your story, God's story, and their story. When is the last time you wrote out your faith story? Take some time to write out the hope that you have because Jesus is the Messiah. Pray that God might give you an opportunity to share your faith this week.

Next Week

Our speaker is Brian Schulenburg. Brian is the Discipleship Pastor at Wooddale Church. He will be closing out our series by talking about where we go from here.
